

**ISLAND HARBOR
MARINA**

Emerald Isle, NC

April 15, 2011

Dear Island Harbor Marina Member,

With summer fast approaching, the staff at Island Harbor Marina is gearing up for a busy season. We are open daily from 7:00 am till 5:00 pm, depending on how busy we are that day. We are in the process of replacing our old fuel tanks with new fuel tanks. With that being said, we are currently out of fuel. We expect to have our new tanks "up and running" by mid-May. We appreciate your patience in this matter. Should our storage and wet slip customers wish to have their boats fueled, we will be happy to accommodate you. Simply contact us, in advance, at Island Harbor Marina and we will coordinate your fueling needs with K & V Grocery. K & V Grocery provides all non-ethanol fuel, which makes it safe to put in your boat.

For those of you interested in having your boat detailed, please feel free to contact me at (252) 342-8688. I will be happy to coordinate that service for you.

If you have not received your 2011 decals, please contact us at Island Harbor Marina. All decals need to be attached to your boat, trailer, and vehicle. Remember, this is our way of identifying members.

With the winter now behind us, the water lines on the docks are now operational.

Should you have any questions regarding your April statement, please contact us at the marina, either by stopping or calling us at (252) 354-3106, during business hours.

A new shipment of Island Harbor Marina apparel and accessories has arrived! Stop by and check out our new designs. As always, the owners and staff members at Island Harbor Marina appreciate your continued support.

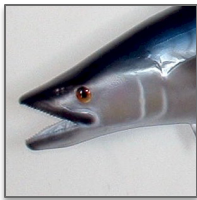

We look forward to serving you!

Sincerely,

Christopher Abee and staff
