June 15, 2011

Dear Island Harbor Marina Member,

With a busy Memorial weekend behind us, we'd like to thank you for helping make it a successful one. As always, we appreciate your support and your patronage.

Our new summer hours are 6am to 7pm, 7 days a week. Please call us, a day in advance, for fueling needs or other services related to your boat extending before or after these times. We will do our best to accommodate you.

Our new fuel tanks have been installed and are operational. Thanks so much for working with us during the interim. Our new dispensers should be in soon and should not interrupt our fueling service. Last weekend, we installed a state of the art 12,000-gallon tank. We serve mid-grade 89 (non-ethanol) and we also serve diesel. Please call ahead for fueling services. This will allow for us to better serve you.

Island Harbor Marina is a family environment. We welcome all your family members, including your pets. We would like to remind you to please pick up after your dog. As well, we are a non-smoking marina and we ask that you respect our rules. Please make sure that your guests respect the marina rules too. Safety comes first and with our new fuel tanks installed, we will be extremely strict about our no smoking policy.

Island Harbor Marina is now offering several new services. We have a Sandwich/Deli menu for you to order from. Please call ahead and we will have your order ready for you on your boat, when you arrive. We will also have beer available for sale as well. The beer is for carry out only. For more details, please call us.

Island Harbor Marina is now an official weigh station. Stop by and let us weigh your catch!

We wish you all a safe and happy July 4th! We will be open late that day, for the July 4th fireworks display.

We look forward to seeing you soon. As always, thank you for your support!

Sincerely,

Christopher Abee and staff
