

**ISLAND HARBOR**  
MARINA

Emerald Isle, NC

October 17, 2011

Island Harbor Marina Member,

Hello everyone! I want to start off by telling all of you how much we appreciate you! We have had a great season and it's hard to believe fall is upon us!

The cooling temperatures have given us great fall fishing, which many of our IHM customers are taking full advantage of. Call us at the marina for the latest fishing reports or for a current weather report.

Post Hurricane Irene, we would like to take this opportunity to thank you for your patience, as we are still in collaborations with several companies. We are in the process of making our final decision on how to repair the docks. We ask that you please use caution when using the docks, walkways, and decks. We plan to have the dock plan posted on our website at [www.islandharbormarinaNC.com](http://www.islandharbormarinaNC.com) in the next couple of weeks. You can check this site for updates as well.

With fall here & winter quickly approaching, we recommend you winterize your vessel. Please give us a call and we can schedule this service for you. We'd like to make this process easy for you. Winterization and wrapping protect your investment.

As things begin to slow down here at the marina, we hope to see familiar faces and new faces come visit us! We have our fall and winter clothing for sale, so come by the ships store and check out our selections!

We look forward to serving you.

*Christopher Abee and staff*

- EASY access to the Intracoastal Waterway
- Prime Boat Launching Facilities
- Family atmosphere & friendly service
- Non-Ethanol Fuel
- New Fuel Pumps & Tanks

### King Mackerel Tournament

Tournament has been cancelled due to the damage to our current docks. We look forward to having the tournament next year.
